## DR PAUL KITTO APPOINTED NON-EXECUTIVE TECHNICAL DIRECTOR

Meteoric Resources NL (ASX: MEI; “Meteoric” or the “Company”) is pleased to advise that Dr Paul Kitto has been appointed to the Board of Directors as Non-Executive Technical Director effective immediately.

Dr Kitto has over thirty years’ experience working within the mining industry, having served on a number of ASX Boards and having held senior level management positions around the world, including Australasia and Africa. Dr Kitto is currently Technical Director for ASX listed Tietto Minerals (ASX: TIE).

Dr Kitto was most recently (2015-2019) Exploration Manager, Africa for Newcrest Mining Ltd and prior to that, was Chief Executive Officer and Managing Director of ASX listed Ampella Mining Ltd from 2008 until 2014, when Ampella was acquired by LSE/TSX listed Centamin PLC.

Throughout his career, Dr Kitto has led or been part of exploration teams that have discovered numerous multi-million ounce gold deposits in Africa, Australia and Papua New Guinea. Dr Kitto has extensive experience associated with a wide range of deposit types, predominantly associated with gold and base metal deposits.

In addition, Dr Kitto has considerable experience dealing with global equity capital markets, project finance together with mergers and acquisitions.

Commenting on the appointment, Managing Director Dr Andrew Tunks said, *“I am thrilled to welcome Paul to the board of Meteoric Resources. Paul is someone in the industry I have known, admired and respected for many years and his knowledge of the gold space is second to none.”*

*“Paul will play a hugely significant role moving forward with Meteoric as we progress our exploration programs on the ground in Brazil at both the Juruena and Novo Astro Gold Projects and no doubt the Company and shareholders alike will benefit from his significant global experience in developing world class gold deposits.”*
